To pick up following 3 Qua-City services that are described above, you can achieve “Total Quality Assurance Solution“ to integrate into your supply chain management system related to your purchases from China”.

<b>Program</b>	<b>Location</b>	<b>Service to</b>	<b>Frequency</b>
Source control	At supplier site	New supplier	Upon your request
		Qualified supplier	Once yearly
Process Inspection	At supplier site	Qualified supplier	Once quarterly
Pre-Shipment Random Inspection	At Qua-City's inspection plant	Qualified supplier	Every shipment

We suggest you ask your suppliers to build into their quotation all of the relative charges for above TOTAL QA SOLUTION PROGRAM to reduce your accounting payment workload. This has been common trade practice for giant chain stores like Wal-Mart and Home Depot who have all their suppliers pay for third party quality inspection.
